Digital Sin ON THE SET ASSACRE

LONDON KEYES

LEA LEXIS

NIKITA BELLUCCI

AJ APPLGATE

For some men, there is nothing quite as taboo or erotic as taking your lover from the backside. Seemingly, anal sex is so much more primal and animalistic than vaginal sex, evoking blistering bouts of lust and passion from both participants. The thought of penetrating and conquering that forbidden hole elevates the dirty deed by exponential amounts, making both parties feel as though they've just accomplished a commendable goal.

Although some women fear anal sex, or choose to work their way up to that level of penetration, other women simply can't get enough. For those select few, the feel of having a hard cock crack their ass open is so arousing that it causes shockwaves to bolt through their system like electricity. With a heightened climactic rush, the feel of perfect pressure and the feeling of being a very bad girl, some women prefer hardcore bouts of anal sex to anything else.

Honoring four pucker princesses that hope to one day reach the celebrated status of anal queens, director Buster Hump has made every effort to impress when creating *Assacre*, his latest all-anal extravaganza for Digital Sin. With great locations, solid camerawork and gaping onions galore, true fans of anal annihilation should be salivating at the backdoors being busted wide open!

Looking more beautiful than ever, London Keyes begins the show on her hands and knees, gyrating her thick ass for the crowd. Donning a red leotard that perfectly matches her nails and perfectly plump lips; she plays to the camera by tugging her butt cheeks open so that we can all get a glimpse of the dampened material that is wedging a path between her hot holes.

"I want to stretch out my tiny little asshole," she moans, reaching for a cylindrical glass toy that is nearly the size and length of her forearm. After tugging her red material to the side to expose her bare pussy and ass, London jams the toy into her anus as we get an unobstructed view of her ass muscles being stretched out to nearly three-times their normal size. Instantly, her pale skin chills up and her Asian eyes squint, as the toy penetrates deeper and deeper. The sheer girth of this toy is a fete in itself and this Asian angel isn't about to go down without a fight.

Just as she is about to orgasm, Jordan Ash makes his way onto the scene and takes control of her glass toy. Shoving it in even farther than before, Jordan ensures London is lubed up by insisting upon a preliminary ass splash before switching out the faux toy for the real deal.

Now, as she's sprawled out on her back in missionary position, Jordan slides his cock inside her anus, filling her up with all ten inches of his protein bar. Taking it like fucking champ, London doesn't skip a beat. In fact, it seems as though her asshole is so used to being stuffed that it simply spreads open on command.

After thirty minutes of solid anal fucking, Jordan succeeds in cracking London's ass. But, before her time on set ends, she seals their deal with a mouth full of salty cum and a black, baseball-sized toy up her ass. On second thought, she may reach anal queen status in less time that we had first anticipated. With a performance like that, she's well on her way to asshole superstardom!

Without skipping a beat, Lea Lexis, a hot bitch and former gymnastics champion from Romania, is next on the chopping block. Looking pint-sized and perfect, Lea is as playful and flexible as they come. A true spinner by every sense of the definition, she looks precious on her hands and knees, inching a bulbous glass toy up her tiny pucker. Whimpering like a puppy throughout, we can tell that Lea is going to be nothing less than a REALLY good time.

While holding her butt cheeks open, she coaxes Xander Corvus to come and tinker around her undercarriage by moaning, "Plug me up hard. Stretch out my pink asshole." Completely up for the challenge, Xander slides her fat toy in and out of her ass before throwing it down in lieu of continuing his anal exploration with his fingers. Now tugging her asshole open

ON THE SET

After creating this stunning visual, Lea grabs a thick dildo from behind a pillow and begs for Xander to double stuff her. Granting her request, Xander slams the flesh-toned toy into her asshole, and stabs her pussy with his sword. Now double stuffed like a twice-baked potato, Lea takes the heat and plenty of Xander's meat!

With such a tough act to follow, Nikita Bellucci certainly has her work cut out for her in the following scene. But, by the intensity of her deep brown eyes, the perfection of her natural body and the sheer elasticity of her Italian asshole, this Euro babe shouldn't run into any problems. Well, that is until Billy Glide strolls in, with his hard whitezilla cock in his hands.

Whereas lesser women would most likely cringe at the thought of taking in such a huge American cock, Nikita seems to

with eight fingers, four from each hand, we get a crystal clear view of Lea's anal canal. "Fucking beautiful," Xander compliments, spitting a wad of saliva down her poop shoot.

In time, his cock has replaced his mouth and fingers and he is drilling her ass hard and deep in doggie position. Folding herself in two, Lea reaches behind her body and grabs the stems of her hot pink heels as Xander continues pounding her round.

be foaming at the mouth in anticipation. In fact, she's so cock crazed by this sizable stud that she attacks him with her mouth first. Seemingly accomplishing the impossible by taking him in from root to tip, Nikita demonstrates not only her willingness to please, but also her unfathomable lack of a gag reflex!

While she continues to make a virtual meal out of his cock, balls and asshole, Nikita parks herself on her hands and knees. Now inching a massive butt plug up her anus, we can see that Nikita's brilliant pussy and stunning asshole are the exact shade of pink as cotton candy. Delicious!

Wanting to get a taste of her candy-colored holes, Billy spins Nikita around and smashes his face between her butt cheeks. Savoring her butt broth and clit consommé like a discerning food critic, Billy rolls her juices around his tongue, smiling at the appetizing flavor of each.

"Spit in my asshole," AJ later requests, once Mick steps it up a notch, bringing their anal play to an entirely new level.

Once Mick has had enough of AJ from behind, he places her on her back and continues his anal excavation in missionary position. Holding her legs against her chest, AJ allows Mick full access to her backdoor. Once her orgasmic rush begins building inside of her, AJ bites onto the corners of her fishnet stockings, creating a sensational sound when the nylon material snaps against her teeth. Soon, she's ingesting his dick whole, coaxing out a healthy cum blast that eventually covers this teenage tart from naval to nose!

Ending on an exceptionally high note, fans of hardcore anal pounding should run to get their hands on this sticky treat. With honest anal sex remaining the star of the show in each and every encounter, true anal enthusiasts will not feel cheated as a result. If anal sex is what you crave, *Assacre* is the exact recipe to wet your whistle and satiate your ravenous appetite. 🍆

For more info about *Assacre*, or other Digital Sin productions, please visit www.DigitalSin.com

Like the anal bitches that came before, Nikita assumes the position on her hands and knees as well as wait with baited breath. Although no one is saying this aloud, we are all thinking the same thing, 'How is this little girl going to take such a huge cock up her ass?' Really, the task at hand seems quite impossible, as the width of Nikita's entire body is still smaller than one of Billy Glide's massive thighs.

Proving that her anal acumen is just as stellar as her deep throat, Nikita takes all that Billy was born with...and then some! Wow!

AJ Applegate, an incredibly cute blonde from Long Island, New York, is the final pucker princess in the lineup of anal queen hopefuls. Wearing black fishnet stockings and electric blue shoes that match her majestic eyes, this girl is primed for the picking.

Writhing around a leather sofa, AJ is quick to show off her natural B-cup titties and her incredible ass that is undoubtedly one of the best new butts in the business. Just to prove that point, AJ pulls out a glass dildo and begins stretching out her elastic anus for the camera.

It doesn't take but a few moments before Mick Blue rushes his way through the crowd, eager to sink his teeth into AJ's apple-bottom. Taking full possession of the toy, Mick sloshes it around her asshole for a few heated strokes before switching it out for the real thing. With very minimal ass play to warm things up, this dynamic duo goes straight into hardcore anal pounding right from the start!

Now positioned with her face down and her ass up, AJ pulls herself open with her French manicured nails, sinking the white tips into her butt cheeks until her skin is marked with red indentations. Loving the sight of her blooming onion, Mick seems hypnotized by the perfect way her impressive hinny takes his hardcore hammer.

KIRA

Pump Up The Clam

CHERI.com 23

Sweet, trusting Kira was all up for the "experiment" her boyfriend danced around. Don't worry, she was told. She'd love it. Ten minutes later with a cunt the size of Cleveland, Kira was getting fucked like she had never been before. With her pumped up pussy lips getting bigger and bigger, Mr.Wonderful threw her a curveball and started fucking her tight asshole before he moved onto puffy-pussy-town. With a load of jizz in her mouth and her fuckholes completely spent, Kira (and her guy's cock) thought the experiment was a definite success. 🍆

JAYDE JAVES

Big Boobed Banger!

BI-SEXUAL BABE ON SLOPPY WET BLOWJOBS, WHO EATS THE BEST CUNT, WHERE YOU CAN BLOW IT, AND HOW YOU CAN MAKE HER LAUGH (NO TICKLING!) AND GET IN HER PANTS!

Interview by Emma Edwards

Do you enjoy having such big tits?

Yeah for boobies! I'm a Double-D. Most people assume my big tits are real because they fit my body, fall to the sides when I'm on my back, and bounce like real titties. I recently had them fixed due to an issue with one of the bags, and specifically told the doctor, "Please don't mess these babies up!"

What are you best at sexually?

I think that question would be best answered by my sexual partners, as I'm sure they have their preferences. Personally, I love sucking dick so I would say I'm great at that. I love pleasing men and since most guys love blowjobs, I like being good at that. Generally speaking, it's really bad for a woman to be bad at sex. All the girl has to do is bend over and take it and the guy is going to think she is amazing! Now if a guy starts swiveling his hips and shit, you're gonna be thinking, "Man, what in the fuck are you doing?"

Does your tattoo have any significance?

There is no significance to the tattoo on my stomach. It started off as a fairy. I think I was a little bit intoxicated when I got that. My two options were to cover up my fairy or get it lasered off. My friend drew up a custom piece and put a lot of time and effort into it. My flowers now have some flow across my body. It's pretty and I like it, but in retrospect, I wish I didn't have any tattoos at all.

What type of man turns you on?

Funny men really turn me on. I could never date a really good-looking guy that lacked personality. I don't like duds. I would like a guy to keep me on my feet in anticipation for what wacky thing is going to come out of his mouth next. That is so sexy. The guys I have dated in the past are not the best-looking guys, but they can make me laugh. I'd choose personality over looks any day.

Describe the perfect woman.

I like a girl that resembles me, tall, curvy, and exotic looking. Dark haired girls with light eyes and tanned skin turn me on. Again, my girl has to have personality. I also want her to be smart, witty, charming, and great in bed. I want the whole package. If I were to Build-A-Bitch, I'd want my perfect girl to have Sasha Grey's brain, Belladonna's sex appeal, Phoenix Marie's personality, and Gracie Glam's playfulness.

What was your first job?

I worked as a hostess at a steakhouse/saloon and loved it. In fact, I've worked in several different restaurants as a waitress and as a bartender. I've also had other jobs. For instance, I sold insurance and had a license to do so. I did really well with my sales and commissions. Nothing was quite as fun as working in restaurants though. I got to meet so many different types of people and really learned a great deal about myself. I think everybody should work in a restaurant at some point or another.

What project have you been particularly proud of?

I am most proud of my website, www.JaydenJaymesXXX.com. I put a lot of work and continue to put a lot of effort into that. I started the PUBA network with my friends. It's been very successful from day one. All of the girls we have signed on have been happy with their sites. This is my baby; it is a great source of my income, and it pays my bills. I love having creative control over it. It's all me and it's perfect!

What is the most sensitive part of your body?

Everywhere! I hate being tickled. I hate it so much that if you were to continue to tickle me, after I'd asked you to stop, I wouldn't talk to you for months on end. I can't even get a pedicure anymore because I want to kick the girl in the face. On the flip side, it's a good thing because in bed everything turns me on. Tickle Jayden Jaymes and die! *(Laughs)*

Who turns you on? Why?

There is a guy in my personal life that's a part of a huge clothing company that really turns me on. He's the biggest dork ever and doesn't fit the mold of the guys I usually date. I'm really into black men or bi-racial men. This guy is the total opposite; white, tall, not in shape, has lame tattoos, and wears a fucking afro. His personality is beyond anybody I've ever met though. Just that one quality alone makes me nuts for the man. I love hanging out with him. In fact, I crave him. He makes me feel great about myself.

Which starlet eats the best pussy? Why is she so good?

Hands down, Courtney Cummmz! She has this incredible sexual energy around her that drives me wild. She also really loves girls and takes her time when pleasing women. She's gorgeous and I love her body. She has nice tits, a round ass, and a great mouth. She's definitely one of my favorites. I worked in an orgy scene

“I really don't care where my guy cums. If he wants to splatter across my ass, cool! If he wants to unload inside of my pussy, even better!

and pleaded with the director to let me work with her. It worked, and I did!

Describe the Jayden Jaymes blowjob experience.

Well, I've never been blown by Jayden Jaymes but I hear it's good. It's definitely wet, as I hear she loves to slobber. But really, nobody likes a dry mouth. Perhaps James Deen could better answer that question. Jayden Jaymes has sucked him off plenty.

Which celebrity turns you on?

Megan Fox turns me on. She fits the bill of the exotic look I'm after, with her dark hair, light eyes and voluptuous lips. She carries herself very well. She's sexy without being overly slutty or too conservative. She's has the perfect blend of spicy and sweet.

Were you into girls prior to porn?

Yes, I'm very bi-sexual. I will settle down with a man and have children one day. When I date a guy, I like to invite women in. Girls are good for spicing up relationships. I've dated a few women and it didn't work out, but I love having sex with them. I started my girl crushes at a very young age. I just go with the flow. Girls? Boys? Fuck it!

Do you have any secret fetishes?

I have a secret fetish for men that have tattoos. There's something hot about a naked man covered in tattoos. I want to straddle him and look, kiss, lick, touch, and bite every single one of them. I want to go on a tattoo safari across his body.

Where can a person kiss you to turn you on the most?

My lips. I adore soft kisses. I definitely don't want to be mauled or tongue licked. That's stupid. Light little kisses here and there turn me on. Making out also turns me on, with a good amount of dry humping. Dry humping is so sexy. The intimacy of kissing turns me on. I want to tease you. I want you to tease me. I want us to work it up and enjoy it.

Are you a pleasure delayer, or do you go after instant sexual gratification?

I don't go after instant sexual gratification. I love foreplay and getting worked up before the big show.

Do you prefer fucking or lovemaking?

I think those two words are one in the same. I don't like to separate them. Both are sex. You can have sex quietly or loudly. You can have wild animal sex or tame lame sex. It all depends on my mood. I love sex and want to do it with people I like. Whether we are making love or fucking, it doesn't matter because I'm with somebody that I am emotionally and physically attracted to.

What's the biggest misconception about you?

I'm not promiscuous at all and I don't sleep around. I know I have sex for a living but in my personal life, I don't have one-night stands and I don't sleep with people right away. I prefer intimacy to getting off. I want to enjoy sex on a personal level. I also rarely drink and never smoke. People are also quite shocked to discover

that I have a brain. They can't believe that I'm a porn star. I'm also socially awkward and a bit on the quiet side.

When was the last time you had sex? Was it good?

The last time I had sex was about two or three weeks ago. It was with the guy I mentioned before that I have a crush on. Sex with him is always good. The man is excellent at giving oral. Wow, it's been a while, which proves that I'm not promiscuous. I do like to keep my options open but it takes a lot to get me into bed. Sex isn't on my mind 24-7, so I can go a long time without it.

Where do you prefer your cumloads?

I hate this question. I hear spunk is good for my hair, so I suppose I'll try it there. In my personal life, I really don't care where my guy cums. If he wants to splatter across my ass, cool! If he wants to unload inside of my pussy, even better! I just go with the flow. The placement of the cumload really doesn't matter to me. As far as on camera, I definitely don't want nut in my eyeball. It stings. Everywhere else is fair game!

Would you rather eat a pussy or suck a cock?

Although I love both, I'm going to have to say sucking cock. I love dicks and can never get enough.

Do you prefer vaginal or anal sex?

I prefer vaginal sex because it's easier for me to cum vaginally. I had anal sex a few times in my life and I've enjoyed it to an extent. But it can be kind of uncomfortable. I've also gotten off on it. I just enjoy vaginal sex more.

Who would you love to fuck that you haven't yet?

Belladonna! She's intense and is the most sexual person in porn. You instantly want to attack her after one look. She emits an energy that is explosive. Her body is so flexible, her look is stunning, and her overall appeal is enviable.

Do you have any last words for your fans?

Thank you to all of the fans that continue to buy and support pornography. And, to all of the assholes that download it for free...FUCK YOU! 🍆

Photos by Stills By Alan

To be a blonde with great tits in the porn scene is no big deal. To be an all-out cock riding legend at the age of 21 most definitely is. Stevie's been mounting meat for almost four years and her gash hasn't met a rod it hasn't liked. She's smut royalty. On top of that, this tatted-up tart is up for every fucking-thing you can imagine! We say, in our most porno-presidential cheer, four more years! 🍆

STAR POWER ⚡⚡⚡⚡

(Kevin Moore/Evil Angel) Starring: Rebeca Linares, Jenna Haze, Asa Akira, Jada Stevens, Remy LaCroix, Anissa Kate.

Presenting an outstanding collection of memorable scenes, director Kevin Moore has successfully separated the wheat from the chaff in this all-you-can-eat offering. With six beautiful starlets, incredible hardcore, and sexy teases, expect plenty of bang for your buck! From *Spandex Loads 2*, Rebeca Linares titty fucks Kevin's cock and offers a no-hands blowjob before he rips her pants to shreds when tapping into her Spanish hot pot. From *Panty Pops 5*, Jenna Haze teases the camera in the best way possible. With a soft voice and a killer body, she tries on multiple pairs of sexy panties before Kevin comes in and strokes off on the frilly material. From *Spandex Loads 3*, Asa Akira brings the house down by doing the splits in black spandex. Next, she demonstrates her insatiable appetite by blowing his cock and doing some squats before riding the reigns in reverse cowgirl. From *Crack Fuckers*, Jada Stevens slathers her big ass with oil and allows Kevin to use her ass cleavage to jerk himself off. Although there isn't any sexual penetration, this scene is all about the tease and the ass! From *Tanlines*, Remy LaCroix demonstrates why she's porn's current Best New Starlet by slathering her raw sexuality and pussy all over Kevin. And, in the end, Anissa Kate rocks Kevin's world by offering her pussy and a titty massage in *Titty Cream Pies 2*. Hot!

STAR KISSED ⚡⚡⚡

(Wicked Pictures) Starring: Aaliyah Love, Monique Alexander, Alison Tyler, Kiera Winters.

In this couples friendly offering, we follow the plight of Aaliyah Love who is forced to reevaluate her rocky relationship with Tyler Nixon once her childhood sweetheart, Bill Bailey, comes back into town. Tempted to rekindle their romance, this movie illustrates the ultimate love triangle. The movie opens with an energetic scene on a rooftop whereby Bill Bailey is hammering Aaliyah Love's pussy in standing doggie. With her blonde hair blowing and liquid leaking from between her legs, this is a good place to start. We soon realize that Aaliyah was dreaming about her past. Whereas an absence of love could be felt in Aaliyah and Tyler's room, an abundance of love is found when Alison Tyler treats Mr. Pete to a morning quickie. Dazzling him with a no-hands blowjob and a slice of her deep-dish pussy, Alison is in top form. Next, we find Monique Alexander keeping her romance alive by blowing Mick Blue and jockeying his cock in cowgirl. Ultimately, this duo bangs out the hottest scene of the production. From here, Brad Tyler vows to make an honest woman out of his longtime girlfriend, Kiera Winters. After popping her pussy with his tongue and his cock, Brad does the honorable thing and pops the question. Aaliyah Love steps it up in the final scene by showering Tyler with plenty of her love, devotion and...her wet pussy!

TEENS TALKING TRASH 2 ⚡⚡⚡

(Third Degree Films) Starring: Tia Cyrus, Abby Cross, Eve Evans, Alana Raines, Charity Bangs.

Understanding our penchant for dirty debutants with potty mouths, ace director Mike Quasar has assembled a fantasy lineup of five sophomore sluts in this young girl release. With a bevy of smack-talking cocksuckers, this is one temper tantrum you won't want to miss. Tia Cyrus, a pin-thin Latina, begins the show by retelling a story about seducing an off duty officer. In walks Mark Wood. While fucking her silly across a bed, Mark makes sure that her mouth is stuffed with either meat or moans in an effort to stifle her foul disposition. Afterwards, Abby Cross retells a funny story about fucking Tommy Pistol, a derelict from the mall. After she brings him home and offers him a sandwich, he repays her kindness by treating her to multiple orgasms and plenty of his hard cock. Meanwhile, in the next room, Eve Evans, a hoochie mama straight from the hood, is berating her lazy boyfriend, Mr. Pete, for being a "broke ass mutha fucka". In every effort to silence her bitch within, Mr. Pete slams his cock into her mouth and later into her pussy, showing her that his true value isn't monetary but sexual. Next, as a way of getting back at her boyfriend, Alana Raines revenge fucks Tommy Pistol. Delivering the most scorching scene of the production, the movie is worth watching just for this encounter alone.

CUM GLAZED 4 ⚡

(Vince Voyer Unleashed) Starring: Gina Parlay, Faith Love, Kelsey Jones, Vida Diaz, Luna Kitsuen, Melanie Hicks.

With a cast of cute newbies and plenty of cum, director Vince Voyer hand selects young girls for a shot at the big leagues. Unfortunately, some scenes leave much to be desired and the disc is a bit slow moving. However, there are still redeemable qualities that make this movie worthwhile. Gina Parlay begins the show very awkwardly, and, in retrospect, should have been cut from the lineup as she appears too noticeably uncomfortable. But, nonetheless, she performs a hardcore scene with Vince Voyer, with cringe-worthy results. Faith Love, a pretty black girl, starts off a bit subdued but ups her game the moment she begins blowing Vince. With a wildly roving tongue and a deep pussy, she delivers a passable scene that ends with a shot glass full of cum. Later, Kelsey Jones looks good when stimulating her clit with a vibrating wand and a dildo, while Vida Diaz, a pretty Asian, delivers a hot blowjob that leaves Vince's cock dripping with saliva. The entire momentum of the show vastly changes for the better as soon as Luna Kitsuen enters into frame. Delivering the hottest scene of the production, Luna is clearly a girl that we'll keep on our radar. Melanie Hicks also delivers a decent scene, ending this show on a much stronger note than how it began, although we still expect much more from Vince Voyer.

IRENA

Creampie Lesson

When Irena caught her boyfriend whacking it to a fashion mag, she thought it was funny, but she was also a little pissed, so she used her pussy to teach him a lesson. She grabbed his meat and asked if that's what he wanted from those fucking fashion sluts. Then she mounted his cock and rode him like a wild woman, taking it deeper and deeper. When he blew his load in her hot slit and it poured out, she felt as though she definitely got her point across. Good lesson, Irena. 🍒

DEBBIE

Fuck That Ass!

Most girls like to play it coy when it comes to anal sex. You get a lot of, "I never tried it," or "Gross!" or "If you really want to..."; Not Debbie. No sir. This is the first question she has for you: "Do you like to buttfuck?" Followed by her unzipping her pants and stuffing your dong deep in her asshole. You can fuck her bottomless butthole for hours 'cause she will cum again and again, just waiting for you to splooge right up her crack. Good times await my friends. Good times. 🍆

PENELOPE

What It Takes

Getting to the top of the humping heap is hard. For a girl like Penelope Stone, sucking and fucking her way to the porn pinnacle is a challenge she ain't taking lightly! Penelope wraps her skillful mouth and throat around her cocks all the way down 'til they hit the back of her spuzz-starved gullet. Of course, you want to blow it in her mouth, but then she gets her slit on your meat and it's un-fucking-believable from there. Silky, hot, wet pussy always makes it in this biz. Go get 'em Penelope! 🍆
